Mets pitcher **John Maine** asked an attractive clubgoer at Touch if he could try on her black dress in the bathroom. ***Sex and the City*** wrapped up shooting in New York with a party at the Royalton Hotel. **Bill Clinton** swapped seats with Oscar de la Renta so he could sit next to Penélope Cruz instead of Anna Wintour at the Spanish Institute Gold Medal Gala. Lame duck Brooklyn Borough President **Marty Markowitz** is annoyed that his name wasn't included in a recent *Post* article about 2009 gubernatorial contenders. **Tommy Hilfiger** made \$8.5 million when he sold the East Hampton home he bought a year and a half ago for \$26.5 million. **Bobby Cannavale** dropped his 47-year-old girlfriend for 22-year-old Alison Pill. Fans of *Law & Order: SVU* are annoyed that **Richard Belzer** doesn't have much screen time as he once did.
